ABSTRACT

Certain data from the Bureau of the Census were not available at the time of publication of the National Education Association report "Rankings of the States 1996" because of a change in the Bureau's schedule for issuing that data. This addendum contains the previously unavailable tables of finance data for state and local governments and completes the information for the "Rankings." The following tables are included: (1) Series C, Faculty, Tables C-2 to C-4; (2) Series E, Governmental Revenue, Tables E-1 to E-9 and E-11; (3) Series G, Government Expenditures, Tables G-3 to G-12' and (4) Series H, School Expenditures, Tables H-3 to H-8 and Tables H-18 and H-19. IMPORTANT NOTICE

As we noted on the first page of the NEA report, *Rankings of the States 1996*, certain data from the Bureau of the Census were not available at publication time because of a change in the Bureau's schedule for issuing that data. This addendum contains the previously unavailable tables of finance data for state and local governments (in series C, E, G, and H) and completes the information for *Rankings 1996*. Please file this addendum with your copy of *Rankings 1996*.
